## Directory of Canadian COVID-19 prevention groups

This directory was compiled in March 2024 to go with the “Snapshots from the grassroots” portion of the Coalition’s March 11<sup>th</sup> [webinar](#), *The 4<sup>th</sup> Anniversary: Raising our voices about COVID in Canada*. Please let us know who we’ve missed or what information needs to be changed. (Use our e-mail at the left.)

Groups may come and go, since many involved are volunteers. Their use of social media may change. Even if they aren’t very active today, their materials still may be useful, so they’ve been included.

And be sure to check out <https://www.instagram.com/covidactionmap/>, or @covidactionmap on Twitter, for others around the world.
